Cofax Teachers Coming.

The Cofax Range says, One of the
features of the annual gathering of
the state teachers at Albuquerque

this year will be a luncheon enjoyed
by the county teachers at the Alca-
zaba Hotel on Tuesday, November
24th. The county superintendent

has been assured that Cofax country
will be represented by a large dele-
gation. All of the Dawson, Cimarron
and Springer teachers, two of the
Maxwell teachers and the ma-
jority of the later teachers, includ-
ing the county high school instruc-
tors, have indicated their intention to

attend.

I understand that the duty of this

committee is to make an attempt to
find a way by which the course may
be simplified, either by elimination of
subjects or of subject matter in the
branches now taught. This com-
mittee will tabulate all replies and draw

a set of resolutions in accordance
with the reports. These resolutions

will be presented to the N. M. E. A.

I wish you would write me fully

of your opinion on this matter and of

elimination of subject matter in the

various branches but particularly in

the following: 1. American History.

2. Composition and English Gram-
mar; 3. Geography; 4. Reading;

5. Arithmetic.

Please state definitely, by topics,

what should be taught in these sub-
jects. (a) Also what topics com-
monly taught in New Mexico should
be eliminated; (b) What should be
added; if any; (c) How many books
should a first grade class read during
the year? (d) Should all language,
composition and grammar be based
on one series of books or on more
than one at present? (e) Will you
send a list of dates that should be
required in history? (f) What partic-
ular things should be emphasized in
geography?

If you care to make specific re-
commendation of textbooks for use in
the schools the committee will be
glad to receive this information also
and will tabulate results without use
of names.

Assuring you that your co-opera-
tion in this matter will be fully ap-
preciated in this matter and requesting
that you reply as soon as con-
venient. I am

Fraternal yours,

WALTER E. McFARLAND,
Chairman of Committee.
